No. 1's BALL.—Next Wednesday eve-

ning, Feb. 22, the third Annual Ball of

PIONEER ENGINE COMPANY, No. 1 of this

City, is to come off at the **Bancroft House**.

The most liberal arrangements have been

made for carriages, music, decorations,

supper &c., and the managers will spare

no pains to make it the affair of the winter.

No. 1 is certainly a very creditable

organization; capital "machine," well

man'd, well officered, and commanded by

a Foreman who is "all Fireman" from

the tip of his top-knot to the soles of his feet.

We heartily wish "the boys" suc-

cess generally, and especially a "glorious

time" at their Third Annual Ball.

H. & L.—A new German Hoof and

Ladder Company has been formed to take

the place of the more ornamental than

useful organization which formerly存(?)

with the "truck" but very judiciously

concluded to subside. Fred. A. Koenig,

an efficient, enthusiastic fireman, is Fore-

man of the new company.

Saginaw Valley As'l Society.

Permit me to call a number of the citizens of Saginaw, to meet at the **Bancroft House**, on the 15th day of February, 1860, and on motion, Dr. M. T. C. Pleasant was called to the Chair and Dr. D. L. Ferguson appointed Secretary.

The object of the meeting having been stated by Dr. Pleasant, the following resolution was carried:

"The members of the As'l Soc'y, in session at the **Bancroft House**, do hereby resolve, that they will

present themselves at the election of members to be held, which is to be held on the 15th of February, 1860, to elect a President, Vice President, Treasurer, Sec'y, Corr. Sec'y, Corresponding Sec'y, no election.

Board of Managers—W. L. Webber,

W. C. Yawker, D. W. C. Gage, C. T.

Dishaw, [one vacancy.]

AGRICULTURAL SOCIETY.—By the pro-

ceedings which we publish to day it will

be seen that an Agricultural Society has

been formed embracing in its sphere of

operations, Saginaw, Midland, Bay and

Tuscola Counties, and denominated the

SAGINAW VALLEY AGRICULTURAL SOCIETY.

We regret that the attendance from this

City, at the meeting on the 10th was so

small, but have every assurance that our

citizens will do all they can in the future to advance the interests of the society.

The first meeting of the Executive Com-

mittee will be held, at Saginaw City, on

Wednesday the 14th of March next,

which fact we wish the members elect

of that committee would bear in mind.

STEAMBOAT LINES.—The following steamers will run here next season, landing in this city at Curtis, Bliss & Co's dock: *Forest Queen* and *Columbia* from Detroit; *Sea Bird* from Goderich, Canada and *Fair* between Bay City and Saginaw City; *Bell Seymour* and *Midland City* to Midland City. A line of first class propellers will run between here and Buffalo, also *Swiftsure* line of first class sail vessels.

LEADER.—We hear of several sales of

lumber for the Eastern market at good

prices, upon which liberal advances have

been made.

COAL.—Arrangements have been made

to commence boring immediately in the

vicinity of Tuscola for the purpose of as-

certaining to a certainty the location,

extent, and thickness of the coal beds in

that locality.

BUTTER, BUTTER, BUTTER.—Messrs.

Mower & Co, inform us that they intend

to retail butter for the balance of the

season at 16 cts per lb. They have a

full supply of Oakland County butter on

hand and we know it is good, for we

have tried it.

LOGS.—We have taken some pains to

ascertain from reliable sources the prob-

able amount of logs which will be "run"

to the different mills on Saginaw River,

the coming season, and this is the result

of our investigations: If the water holds

at an average stage the amount will be

between eighty and ninety million feet.

If the water is unusually high the amount

may reach a hundred or even a hundred

and ten million.

NOTICE.—We received by mail

last evening, February 15th, a copy of the

Sacramento Union, dated January 20th.

We receive the Union regularly,

and if there are any returned Californians

or others in this vicinity who would like

to peruse it we shall be happy to give

them the privilege if they will call at the

Courier office.

THE DEWEY & CAMPAG CASE.—The

law case which has been on trial a fort-

night, Dewey & Hamilton vs. Campag,

was decided by the Circuit Court for this

county on Wednesday last, in favor of the

plaintiffs. The Jury were out about

too hours.
